

Dear Parents

Greetings!

We take pride in our relationship with parents and see you as important stakeholders in the endeavors taken by the school.

"So powerful is the light of unity that it can illuminate the whole world"

All of us know the harm plastics cause to the environment, but the question is how many of us are actually working to reduce and reuse? It is our duty and responsibility to make our Earth a cleaner and a safer place to live in for ourselves as well as for our future generations.

Our small step towards the conservation of the Environment is to make our school and homes plastic free by using Cloth Bags.

We urge you to send one old bed sheet/curtain/jeans/table mat---- in good condition, to be recycled into tote bags, pencil pouches, mobile pouches, sling bags, bottle covers at a very nominal price.

Your ward can submit the material to the class teacher. Please put a name tag on the packet along with the type of bag(s) required to be made.

The making charges for the same is as follows:

- 1. Tote Bag Medium Size without Zip- Rs 40**
- 2. Tote Bag Medium Size with Zip- Rs 60**
- 3. Tote Bag Large Size with Zip -Rs 70**
