

HOLIDAY HOMEWORK CLASS VII

Dear students

Have a fun-filled summer vacation. Please make a serious attempt to complete the assigned task. It is essential to attempt the task on your own. Minimum help should be taken from Parents.

Remember, "**All you can do is the best you can do, and the best has its own reward**". Please take care of the following:

- Read newspaper daily.
- Watch informative programmes on Discovery channel, History channel and National Geographic channel.
- Practise cursive strokes to improve your handwriting.
- Pursue and keep yourself happily engaged in the activity of your choice.

A NOTE FOR PARENTS

Make this summer special!

1. **Have at least two meals together with your children.**
2. **Try to share some stories/experiences with them and tell them about your childhood.**
3. **As far as possible keep them away from TV and other electronic gadgets.**

HOLIDAY HOMEWORK CLASS VII

ENGLISH

I

- Refer to your 'Supplementary Reader'- Go Girl Go. Read the first four stories.
- Make the comic strips (at least 10) of any one story you like the most.
- Present it in the form of a comic book.

II

- Attempt the worksheets on Passive Voice and Reported speech the links of which are given below and submit the printout.

[http://www.english-](http://www.english-hilfen.de/en/exercises/active_passive/sentences_simple_present.htm)

[hilfen.de/en/exercises/active_passive/sentences_simple_present.htm](http://www.english-hilfen.de/en/exercises/active_passive/sentences_simple_present.htm)

III Project

Holidays are the times to establish relations and connections ... to pursue hobbies, learn and refresh yourself.

Research on the Traditional Games of India: Lagori, Kancha, Gillidanda, Kho Kho, Chauser, Patangbzi, Pitthoo, kabbadi. Ask your parents and grandparents about the games they used to play in their childhood. Have you ever played any of these games? Children nowadays are more interested in playing games in a virtual environment. The traditional games are refreshing and keep

alive the culture and tradition of a community. The time has come revive their forgotten glory and bring them back into our fold. So spare a thought for them.....

1. To start with, research on the games that were played in ancient India.

2. Select any 4 games from the list given above and write briefly about them and also their origin (65-70 words each)

You may use the following links to read about them:

- <http://www.thebetterindia.com/10492/lesser-known-traditional-games-sports-india/>
- <http://veda.wikidot.com/info:origin-of-games>
- <https://aphilomathsjournal.wordpress.com/2015/11/30/popular-games-sports-that-originated-in-ancient-india/>

3. Prepare a questionnaire with 10 questions and ask your parents/grandparents/elderly in the neighbourhood if they have played any of these games, how they used to play, with whom, when, how often, etc. Complete the questionnaire with their subsequent answers, neatly on coloured A4 size sheets. Conduct 4 such interviews.

4. Indigenous games are a source of pride for our country and are part of our cultural heritage. How can we preserve them? (50-60 words)

The project should be handwritten and must be submitted in a handmade folder.

HINDI

१. गोपाल सिंह नेपाली की कविता 'हिमालय और हम' रामधारी सिंह दिनकर की कविता 'हिमालय' तथा जयशंकर प्रसाद की कविता 'हिमालय के आँगन में' का संग्रह करके तुलनात्मक अध्ययन करते हुए अपने विचार लिखिए

२. नदी प्रदूषण तथा समाधान विषय पर स्वरचित कविता लिखो (गाँव, कस्बों का नगरों व महानगरों में रूपांतरण, कारखानों के द्वारा, अनुचित रूप से कृषि कर अपशिष्ट प्रवाह करना, धार्मिक व सामाजिक रूप से दुरुपयोग)

३. वर्तनी सुधार हेतु ५० कठिन शब्दों की श्रुतलेख लिखो

४. कक्षा में करवाए गए सभी पाठों की पुनरावृत्ति करो

नोट - समस्त ग्रीष्मावकाश गृहकार्य फाइल के रूप में प्रस्तुत किया जाए ।

स्वच्छता का विशेष ध्यान रखें ।

प्रथम पृष्ठ पर विषय सूची बनाएँ ।

चित्रों का विशेष रूप से प्रयोग करें ।

SANSKRIT पर्यटनस्थानस्य भ्रमणं कृत्वा पंचस्थानानां सचित्र-पंचवाक्येषु वर्णनं कुरुत ।

(पर्यटन-स्थलों का भ्रमण कर किन्हीं पाँच स्थानों का चित्र चिपकाकर उनका रोचक वर्णन करें ।)

MATHS

1. Create a Board Game that should include the concepts you have learnt about Integers (addition, subtraction, comparing, multiplication and division). Board Game must include a set of rules

that are clearly defined and easy to follow. Your game should be able to be played by 2-4 players. Be Creative and imaginative.

Before you begin, brainstorm some ideas:

- How will players move around the board?
(Chips, game pieces, etc.)
- How will questions be asked?
(Dice, playing cards, etc.)
- How will players solve problems?
(Own paper, paper provided with game, etc)
- Will your game have a theme?
(Circus, carnival, sports, cars, etc.)
- What else do you want to include?

2. Making Models

Make models of the solids ([polyhedra](#)).

[Tetrahedron](#)

[Cube](#)

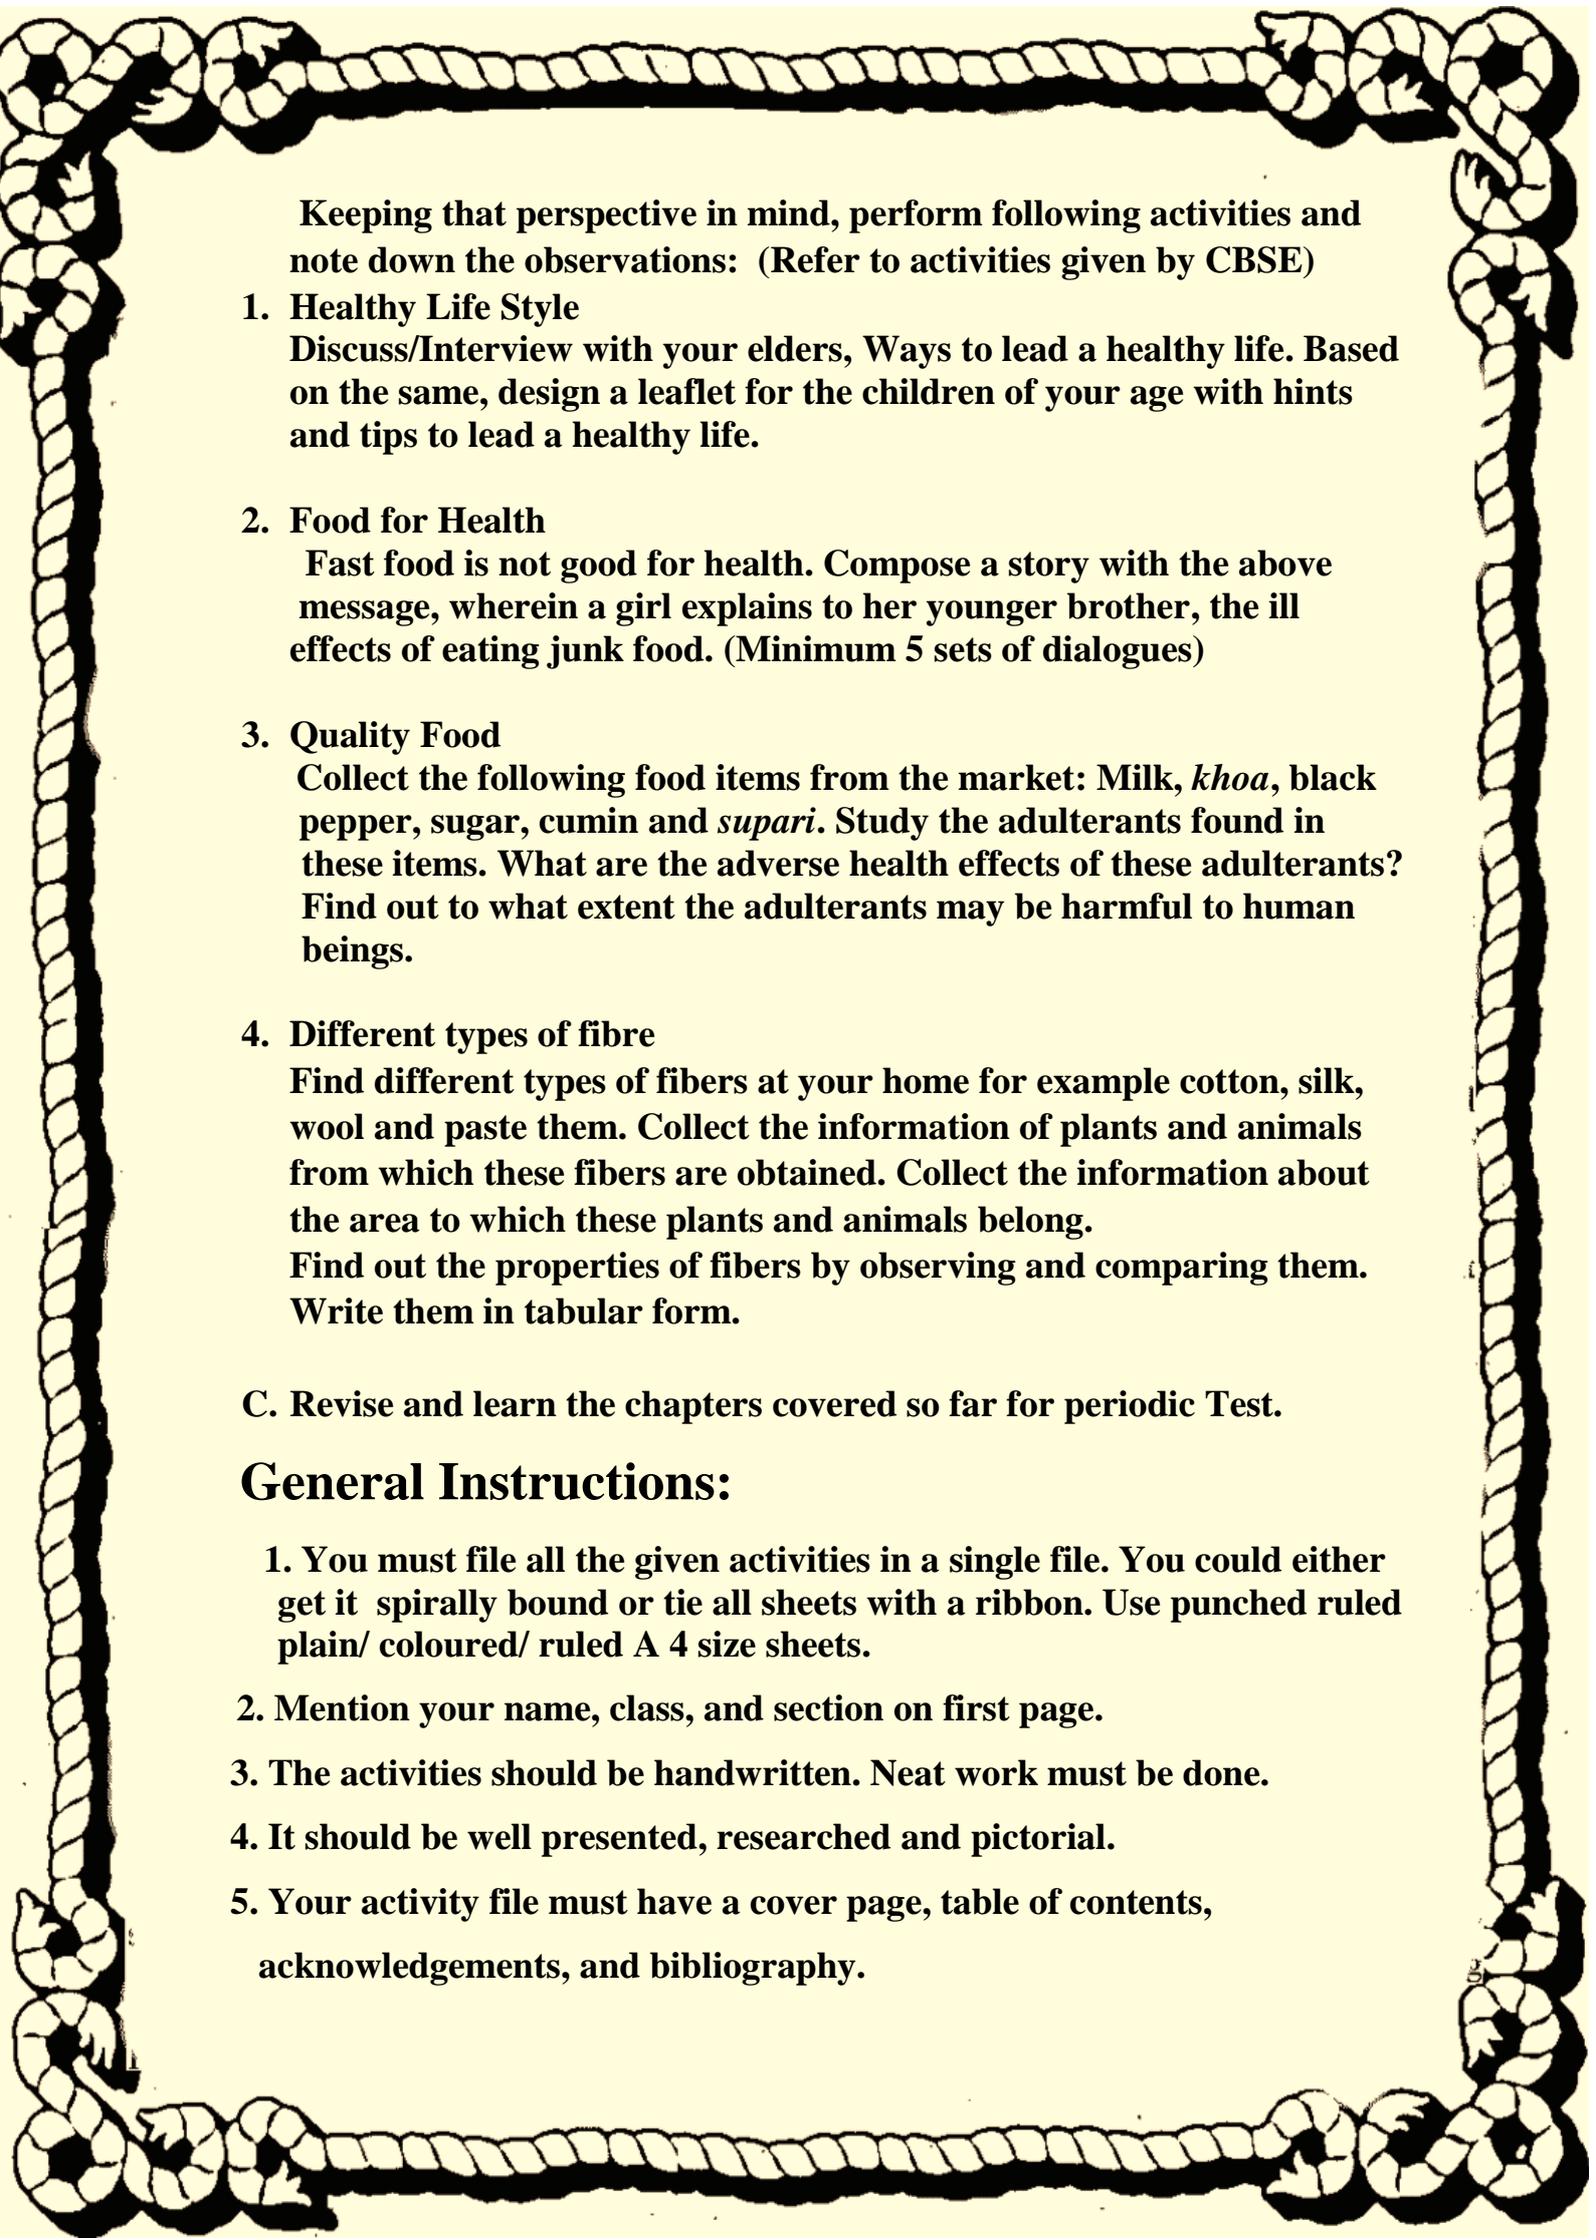

[Square Pyramid](#)

Use origami sheets (atleast A4 size) to make nets and then make creases to fold it to obtain the required solids.

3. Solve any five Sudoku Puzzles from Newspaper and paste them on A4 size sheets.
4. In a separate notebook practice at least 30 questions each from Integers, Fractions and Decimals, Simple Equations (solved examples, exercise questions, worksheet booklet).

SCIENCE

- A. Make a power point presentation of 7-8 slide on the topic 'Level of air pollution in Delhi'.
 - It should include present scenario of pollution level in Delhi, its causes and possible preventive measures.
- B. 'The best way of learning about anything is by doing'.

Keeping that perspective in mind, perform following activities and note down the observations: (Refer to activities given by CBSE)

1. Healthy Life Style

Discuss/Interview with your elders, Ways to lead a healthy life. Based on the same, design a leaflet for the children of your age with hints and tips to lead a healthy life.

2. Food for Health

Fast food is not good for health. Compose a story with the above message, wherein a girl explains to her younger brother, the ill effects of eating junk food. (Minimum 5 sets of dialogues)

3. Quality Food

Collect the following food items from the market: Milk, *khoa*, black pepper, sugar, cumin and *supari*. Study the adulterants found in these items. What are the adverse health effects of these adulterants? Find out to what extent the adulterants may be harmful to human beings.

4. Different types of fibre

Find different types of fibers at your home for example cotton, silk, wool and paste them. Collect the information of plants and animals from which these fibers are obtained. Collect the information about the area to which these plants and animals belong.

Find out the properties of fibers by observing and comparing them. Write them in tabular form.

C. Revise and learn the chapters covered so far for periodic Test.

General Instructions:

- 1. You must file all the given activities in a single file. You could either get it spirally bound or tie all sheets with a ribbon. Use punched ruled plain/ coloured/ ruled A 4 size sheets.**
- 2. Mention your name, class, and section on first page.**
- 3. The activities should be handwritten. Neat work must be done.**
- 4. It should be well presented, researched and pictorial.**
- 5. Your activity file must have a cover page, table of contents, acknowledgements, and bibliography.**

6. Submit the soft copy of power point presentation online at gdspsvii@gmail.com or hard copy of only two pages with 4 slide on one page. Power point presentation should not exceed the limit of maximum 8 slides.

7. Assessment parameters: Originality, Presentation, Application of knowledge, Work quality, Viva

SOCIAL SCIENCE

Women are key to improving the well-being of children and achieving lasting change in society. Women these days have left their mark in each and every field and are competing with men. Make a well researched Scrap File to show the achievements of the below mentioned women in their respective fields. The project should be hand written covering atleast 2 pages for each women.

Group 1

- Indira Nooyi
- Sunita Williams
- Oprah Winfrey
- Mithali Raj
- Sarojini Naidu

Group 2

- Geeta Singh
- Nita Ambani
- Rosa Parks
- Irom Sharmila
- Jayalalitha Jayaram

Group 3

- PV Sindhu
- Shaheen Mistri
- Hillary Clinton
- Arundhati Bhattacharya
- Naina Lal Kidwai

Parameters: Content & Research done (3) Presentation(3) Creativity& Originality(2), Viva(2)

Prepare the chapters done till May for the upcoming periodic test.
