HOLIDAYS HOME WORK

CLASS 3

Dear Children,

Summer Vacation is a welcome break..... Break from fixed schedule, rules & regulations. Summer Vacation is all about fun, frolic, getting up late in the morning, playing for longer hours with friends, going for picnics, exploring new places and watching your favourite shows on television. But there is a lot more that you can do

to make your vacation more interesting and meaningful, along with doing all your heart desires. We have planned some interesting activities for you, so get ready to enjoy your summer vacation!

- ❖ Nurture your reading habits by reading atleast one English / Hindi story book per week.
- ❖ Spend some quality time and enjoy the affection of your family members by playing games together.
- ❖ Plant a tree and nurture it.
- ❖ Get connected to your roots by visiting your parent's hometown/ village and spend some time with your uncle/aunt, grand-parents and cousins.

❖ SUGGESTED VISITS

MATHS

- Make a menu card using a A-4 sheet consisting of 10 dishes along with their pictures and prices.
- Take 2 orders from your family members on different days and prepare separate bills for them on an A-4 sheet.
- Arrange them in ascending and descending order according to their price.

- Write down last four digits of your mother's and father's contact number.
- i) Represent these numbers on an abacus(one for each)
- ii) Use the stickers to show the number on the abacus rods.

EVS

- Select five dishes from the menu prepared by you for Maths H.H.W and prepare a checklist (sample is given below) of their nutrients on an A 4 sheet creatively decorated with vegetable printing.

S.no	Name of the dish	Checklist
1.	Carbohydrates Fats Proteins Vitamins & minerals

- Collect information (origins, rules etc.) on any one indoor or outdoor game played by your parents or grandparents and present the information creatively on an A 4 sheet.

	<p>TRY THIS (Learning is fun)</p> <p>GROW YOUR OWN SALAD LEAVES !!</p> <p>STEP BY STEP INSTRUCTIONS FOR REGROWING LETTUCE FROM A STEM</p> <p>1. Eat your purchased lettuce, cutting the leaves at about 1 inch from the bottom.</p> <p>1. Place remaining stem in a shallow dish of water (about 1/2 inch).</p> <p>2. Place on a window sill</p> <p>3. Change water in bowl every 1 to 2 days.</p> <p>After 10-12 days, your lettuce is going to be as big as it will likely ever get. No, it's not going to be a full head of lettuce, it'll be just enough to top a sandwich or make a small salad. But how cool is that!</p> <p>Click photos every alternate day and prepare a timeline of the growing plant, not to forget a cool pic of the salad you made with your self-grown salad leaves.</p>	
ART		Make a collage/ poster on Patriotism.

Happy Vacations, Have Loads of fun and come back recharged and refreshed!!
