

Dear Parent

As per the requirements of Section 17(3) of the Delhi School Education Act 1973, we have informed the DOE about the fee structure for the Academic Year 2016-17 before 31st March 2016. However, in view of certain ambiguity, the recognised unaided schools through associations, have sought legal remedies before different fora, including review petitions before the Hon'ble Delhi High Court, which are pending adjudication. Since the matter is sub-judice, the management has decided to continue with the fee structure of the session 2015-16 (i.e. last year), till further decision of the School Management Committee. The fees in excess of the fees of the last year i.e. session 2015-16, if paid by the students, will be adjusted in the next billing cycle (Quarterly or monthly, whichever is applicable), subject to further decision of the School Management Committee in this regard.

The fee structure of session 2015-16 was as follows and the school will accept the fee as per the same fee structure, till further orders from the school. The parents will be bound to follow all further decisions of the School Management Committee.

FEE STRUCTURE
