

## Visit to DMRC Museum

**Date: 31<sup>st</sup> July, 2019**

Venue: Delhi Metro Rail Corporation (DMRC), Patel Chowk

Class IX

Students of class IX visited South Asia's first modern Metro Museum, showcasing the Delhi Metro, on 31<sup>st</sup> July 2019. The students learnt about the genesis, history and journey of the Delhi Metro Rail Corporation (DMRC). They were amazed to watch a collection of display panels, historical photographs and exhibits, traced the genesis of the Delhi Metro which took 32 years to reach the operational stage from the drawing boards, major milestones, issues regarding the selection of the technology such as rolling stock (trains), rail gauge, Tunnel Boring Machine (TBM) etc. They also got a chance to visit the control room to get an idea about how the network of Delhi metro works. They were spellbound by the experience of museum visit and gathered knowledge about the Delhi Metro, which is the most successful public transport project executed in the country so far.
