

World Hepatitis Day, 28th July, 2019

G.D. Salwan Public School joined hand with Dr. BLK Super Specialty Hospital in commemorating World Hepatitis Day at the school to sensitise the young students to be aware about the hepatitis. BLK Hospital took the noble initiative to reach out to the students to provide an opportunity to focus together on this issue. It was an effort to enhance awareness about causes, comprehensive care and treatment of people suffering from hepatitis.

An Art Competition for the students of classes IX-XII was organised on 25th July with the theme 'Invest in Eliminating Hepatitis'. Students made beautiful posters with inspiring messages. Best 10 posters were awarded by Dr. Ajay Kumar, Chairman, BLK Institute for Digestive and Liver Diseases. Dr. Kumar also gave a health talk on prevention of hepatitis to the students and about the risk factors, to remove social stigma and promote for early testing. A health talk on the topic was given for teachers by Dr. Amrish Sahney, Senior Consultant in Gastroenterology and Hepatology, BLK Hospital. The sessions were very enriching for students as well as staff.
